Subject:	FERC - Capturing Energy Savings
Date:	Wednesday, July 06, 2016 6:01:47 PM

Ron, We need your help with two items:

- Review and comment on the SOW for energy audit the FERC sent us.
- Set up a date and time to meet on site with FERC personnel to review placement, type and number of meters and related equipment to establish baseline foe audit.

These requests have been out there for a while coupled with the fact that the renovation project is moving forward on schedule time is short.

Thank you for your help.
